

Congratulations Govey 500 Games

Great achievement etc, there is a formal write up on Facebook and the website, so we wont bang on about how great he is as a cricketer. We will focus on the jokester side of Govey!

It would be great if as many could attend and cheer him on down at Panther Park on Saturday v old rivals Toorak-Prahran from 12.30 or at very least buy him a coopers green post game.

Govey Trivia
(answers revealed Saturday)

Has Govey, hit more 6's, run Skanny out or taken wickets?

What is the lowest denomination coin Govey has bent over to pick up?
(Remember the Pence was decommissioned in 1966)

Which 8 year panther veteran and 100 game player did Govey introduce himself believing it was his first game?

Scott "Skitts" Pennell

Where are they now with Antonio Bitterman

AB	Thanks for taking the time out today James
SP	My pleasure
AB	Our readers probably don't know that your real name is James. Why is it that you choose to go by name "Scotty"
SP	The two men I admire most are both called James, I can not live up to such a prestigious name
AB	True you are a pleb
AB	Congratulations on fatherhood, but this year hasn't all been a celebration. You've had a tough year from a personal perspective. Care to elaborate?
SP	Yes, the news of David King's drink driving conviction was a tough pill to swallow, missing out on Gaff and then the unjust delisting of Shaun Atley has turned me into a disillusioned supporter
AB	Ouch
AB	I was talking about how your dodgy business practices are finally coming back to haunt you.
AB	I mean you are personally name in the royal commision into illegal conduct by the banks
SP	Yes I'm the dodgy one
AB	I hear that you've joined a new cricket club, I believe you play out at Pascoe Vale at Lebanon Park
SP	This is incorrect, I was not given a game as I don't have a face tattoo
AB	Deary me
AB	Do you miss the game
SP	Of course I do, a look out past my plants over at Lebanon Park and wish I was still out there. 🍓
AB	Even fielding 80 overs in 38degree heat?
SP	Cute, I would always "hurt" my shouldy those weeks
AB	Dastardly
SP	You don't become the red ink 👑 by batting in the tough conditions
AB	Or the bowling champ 🏏
MG	Or a premiership player

TOOL OF THE WEEK

As most would know Justin "Rusty" Dessent is an industry leading linemarker.

However he got this job horribly wrong!

Congratulations
